Small Collections Roundtables

Sheraton Centre Toronto Hotel -- Simcoe Room

The Small Collections Roundtable is a gathering of library staff who are either solo librarians or expected to provide CJK coverage for their institutions. In order to allow for a frank exchange of ideas among small numbers, we respectfully ask that vendors not attend and that we limit participants to less than 20 people.

This year the discussion will focus on 3 topics:

1. How are you spending your budget these days – general overview not actual figures. (CJK versus E, e-books versus p-books, requests or on-demand versus your own selections)
2. How much teaching/instruction are you doing these days? Increasing or decreasing?
3. What does a normal workday look like for you?

8:00 - 10:00 PM
