CALL FOR MANUSCRIPTS

New Journal

Asiascope: Digital Asia

Editor: Florian Schneider, *Leiden University (The Netherlands)*
Reviews Editor: Éric Sautédé, *University of Saint Joseph (Macau)*

First Issue Available February 2014

**ASIASCOPE:
Digital Asia**

BRILL

ISSN: 2214-2304

Editorial Board:
Bart Barendregt, *Leiden University (The Netherlands)*,
Jens Damm, *Chang Jung University (Taiwan)*,
Chris Goto-Jones, *Leiden University (The Netherlands)*,
Dal Yong Jin, *Simon Fraser University (Canada)*,
and Chris Perkins, *University of Edinburgh (United Kingdom)*

Asiascope: Digital Asia explores the political, social, and cultural impact of digital media in Asia. Bringing together inter- and multi-disciplinary research in the social sciences, arts, media and communication studies, information and computer sciences, and area studies, the journal examines the role that information, communication, and digital technologies play in Asian societies, as well as in intra-regional and transnational dynamics.

Call for Manuscripts:
All inquiries regarding article submissions can be addressed to:
Florian Schneider, f.s.schneider@hum.leidenuniv.nl

沈志华：所谓1950年中苏“秘密协定”

访问号码: 大 中 小 全文阅读 6618 次 更新时间: 2016-07-31 17:40:08

进入专题: 秘密协定

● 沈志华 (进入专栏)

最近一段时间，互联网上盛传一个“历史文件”，即所谓1950年2月12日中国和苏联签订的“特别协定”（即称“秘密协定”）。其主要内容包括：中国“先行划交东北华北海空基地”给苏联；中国同意将解放军“改编为国际红军，由红军最高统帅直接指挥”；中国将向苏联提供“华工一千万人”；中国“应将华北港口岸开放予苏联永久驻兵，并自由出入，其中包括秦皇岛，海州，烟台，威海卫，青岛，大连”；中国同意在“内蒙、新疆、西藏建立各民族的人民共和国，由双方共同负责扶助其独立”等等，共计19条。该文件没有标明出处。

有不少朋友来信电询问，此事是否属实。可以肯定地说，这个文件是伪造的。笔者研究中共关系20余年，对1950年中苏签约的过程和内容也有专门考察，不仅发表过论文、专著，还编辑过相关的俄国解密档案。有兴趣者可以找来阅读。不过，作为学者，笔者也有责任满足网友的要

How do I cite Wayback Machine urls in MLA format?

This question is a newer one. We asked MLA to help us with how to cite an archived URL in correct format. They did say that there is no established format for resources like the Wayback Machine, but it's best to err on the side of more information. You should cite the webpage as you would normally, and then give the Wayback Machine information.

They provided the following example: McDonald, R. C. "Basic Canary Care." _Robirda Online_. 12 Sept. 2004. 18 Dec. 2006 [http://www.robirda.com/cancare.html]. _Internet Archive_. [<http://web.archive.org/web/20041009202820/http://www.robirda.com/cancare.html>].

They added that if the date that the information was updated is missing, one can use the closest date in the Wayback Machine. Then comes the date when the page is retrieved and the original URL. Neither URL should be underlined in the bibliography itself. Thanks MLA!

DS Librarian Job Posting: Position Overview & Responsibilities

Candidates for this newly created position must have a passion for digital scholarship and collaborating with faculty, researchers, students, librarians, and other partners. The Digital Scholarship Librarian will facilitate and play a leading role in the Library's digital scholarship activities, contributing towards the vision and development of forthcoming initiatives, including a center to support digital scholarship, and to provide a more cohesive and holistic service environment for scholars. Working with other librarians, staff, and campus partners, the incumbent will develop, implement, expand, and sustain services, including the technical infrastructure, that advance Library and campus digital scholarship activities to support contemporary research, teaching and learning practices.
