A book celebrating the 30th anniversary of director Park Chan-wook's debut <Finally, Park Chan-Wook>

This is the very first book that captures Director Park's world of cinema which began with his debut film <The Moon is what the Sun dreams of> in 1992, and continued with <Joint Security Area JSA>, <Sympathy for Mr. Vengeance>, <Old Boy>, <Sympathy for Lady Vengeance>, <Thirst>, <Stoker>, <The Handmaiden>, and <Decision to leave>.

In commemoration of the 30th anniversary of the debut of cineaste Park Chan-wook, who has made beautiful and outstanding accomplishments in film history worldwide beyond Korean cinema, a commemorative book, <Finally, Park Chan-wook> that captures his 30 years of cinematic life has been released.

About <THE ACTOR IS PRESENT>

<THE ACTOR IS PRESENT> is a unprecedented book, featuring photographs of 200 Korean actors representative of the past, present, and future of Korean films and the reviews of which summarize the actors' acting world in-depth of the actors.

Nowadays, you must be paying attention to K-Culture Contents, which have given great joy and a deep impression to the public around the world. As you already know, Director Bong Joonho's PARASITE, which won the Cannes Film Festival and the American Academy Awards, and the TV series Squid Game, which sparked global syndrome, signaled a significant leap in Korean films and entertainment contents in the future.
