

The background image shows the interior of a grand, modern building with traditional Chinese architectural elements. A wide, light-colored stone staircase leads up to a second level. Above the staircase, a large calligraphic inscription in black ink is mounted on a light-colored wall. The inscription reads "中國第一屆史檔案館" (China's First National Archives). The architecture features high ceilings with dark wood slats and large, light-colored stone columns. The overall atmosphere is one of historical significance and modern design.
